

at Narbonne High School

School was dismissed at 12:30 Monday, February 20, in order to give students the opportunity to visit "Old Ironsides" with their parents.

Reverend Stanley McKee from the Harbor City Community Methodist church was the speaker at a George Washington assembly held February 22.

Narbonne's Latin Club, Societas Latina, is busy with plans for its annual Roman banquet. The affair will be held March 24 in the school cafeteria.

Miss Larson, the sponsor, is working with her committees to make the affair a big success.

The senior dramatics class, un-

der the direction of Mrs. Schwartz, will present "Pigs," a three-act comedy, as their class play on May 19.

Approximately 50 students are enrolled in Narbonne's Spanish Club this semester, and already plans are being made for several interesting programs.

Sheppard Coward, a senior B, is the new Science Club president. He will be assisted by the following officers: Walter Milburn, vice president; Dick Bylin, secretary, and Dorothy Davis, treasurer.

The G. A. A. held its semi-annual reception for the new girls Friday, February 17. Speeches of welcome were made by Miss Griffin, Miss Wylie and by Mary Likens, G. A. A. president.

Harriet Fink was in charge of the decorations, Helen Johnson of the music for the dancing, and Helen Gough and Joyce Bunge of the entertainment.

More Students Are Wanted to Enroll At Evening High

Many students have enrolled at the evening high school this semester, says Principal Guy Mowry, but more are needed.

The class in sewing affords a valuable opportunity to those who wish to learn to make their own garments. The trying class presents a golden chance to those who are seeking a footing on the commercial world.

Woodshop and machine shop also have places for men who want to spend their evenings profitably, and the gymnasium classes will provide relaxation and exercise for those who are too closely confined to store or office.

The semester work has just started. It is not yet too late to enroll in any of the many departments that are offered in this valuable school.

reception was in honor of the new girls, all Gauchettes and women teachers were included in the invitation. Miss Mason, the sponsor, helped the G. A. A. with the program.
